No Risk Policy Returns: You may return any unused item for credit with our prior acceptance by phone or letter. Returned merchandise must be in original, unused condition, subject to 15% restocking charges. Please include the original copy of the invoice. Reference Control Substance Slides are not returnable.

Foreign countries might involve some custom duty. This duty is the responsibility of the buyer; no packages can be returned due to duty problem or unwillingness to pay the duty.

FDA Compliance: Acupuncture devices and accessories are considered investigational and are limited by United States law to investigational use. Acupuncture devices are sold to qualified practitioners. The purchaser accepts full responsibility for the safe and proper use of these devices and agrees to indemnify and hold M.I.C. International Corp. harmless from any consumer claims against these products or their ultimate use.
